#### **Guidance for individuals wishing to apply for a grant to help relieve hardship by reason of youth, age, ill-health, disability, financial hardship or other disadvantage.**

The Strumpshaw Trust's primary purpose is the relief of those in need in the civil parish of Strumpshaw, by reason of youth, age, ill-health, disability, financial hardship or other disadvantage.

It can also promote recreation, education, leisure time pursuits and the arts as well as supporting facilities for public benefit.

The Trust would normally limit its grants to between £100 and £500 per application.

Applicants are asked to provide:

- a summary of what the grant is needed for,
- estimates,
- information about other funding sources approached,
- the outcome of these applications.

If the Trust gives a grant, applicants must spend it within one year of its receipt. Applicants should note that receipts will be required.
